

Celebrations at

BELLEVUE
CAFÉ

At Bellevue Cafe we offer a tailor made experience.

Menus can be altered to fit with certain dietary requirements or interchanged to suit your palette.

The venue is yours to decorate. Fairy lights can be used to soften the mood and bunting strung between the beams.

We do not put a limit on what you can bring in to make your function amazing, except it is a “no” to draping. Bellevue is gorgeous without it!

Due to us being situated in a residential area DJ music can play till 11.00pm. After that our speakers can be used and music played through an iPod. The venue closes at midnight.

Once you have left the team will take down the décor and store it for collection in the coming days.

If you plan to have fairy lights, bunting etc this can all be set up the prior – we love as it adds to our atmosphere!
